

Banister Primary School Charging and remissions Policy

Purpose of Policy

We recognise the valuable contribution that the wide range of additional activities, including trips, clubs and residential experiences can make towards pupils' education. We aim to promote and provide such activities as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

We believe that all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

Relationship to other policies

The policy compliments the school's equality policy, curriculum policy, finance policy, educational visits policy and the teaching and learning policy.

Roles and responsibilities of head teacher, other staff and governors

The head teacher, staff and governors will ensure that the following applies:

1. *No charges will be made for*

- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education.
- Tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum.
- Education provided on any trip that takes place during school hours. However, Governors have agreed that Voluntary Contributions may be requested.
- Education provided on any trip that takes place outside school hours if it is part of the National Curriculum or part of the school's basic curriculum for religious education. However, Governors have agreed that Voluntary Contributions may be requested.
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip.

- Transport provided in connection with an educational trip. However, Governors have agreed that Voluntary Contributions may be requested.

2. *Activities for which charges may be made*

- Activities outside school hours – Non-residential activities (other than those listed in 1 above), which take place outside school hours, but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours).
- Residential activities – Board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents are in receipt of certain benefits (see point 3 below) may not be charged for board and lodging costs. Residential trips deemed to take place outside school time (other than for those activities listed in 1 above). When any trip is arranged parents will be notified of the policy for allocating places.
- Breakfast and After School Clubs as part of our extended day services.
- Music tuition – for individuals or groups of any appropriate size.

3. *Families qualifying for remission or help with charges*

In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents/carers in particular circumstances. Criteria for qualification for remission are given below.

Parents/carers in receipt of:

- Pupil Premium entitlement
- Income support
- Income-based Jobseekers allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by HMRC) does not exceed the sum given in the Revenue and Customs rules
- Guaranteed State Pension

Additional categories of parents may claim help with some costs in some circumstances, which will be decided by the governing body taking into account as to whether additional help is justified.

4. *Voluntary Contributions*

A school governing body can ask for voluntary contributions for the benefit of any school activity. The governing body or head teacher should make it clear to parents at the outset that the activity cannot be funded without voluntary contributions. The governing body or head teacher must also make it clear to parents that there is no obligation to make any contribution. It is important to note that no child should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, or the school cannot fund it from some other source, then it must be cancelled.

5. *Additional considerations*

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents can plan ahead
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
