18 September 2017

Ms Kate Vincent
Headteacher
Banister Primary School and Nursery

Dear Ms Vincent

Survey on Obesity, Healthy Eating and Physical Activity in primary schools

Thank you for your hospitality and cooperation, and that of your staff and pupils, during our survey inspector's visit on Monday 11 September 2017.

The visit provided valuable information on how your school contributes to reducing obesity and promotes healthy lifestyles for your pupils. This information will contribute to our national evaluation and reporting on these themes. Any published report we prepare is likely to list the names of the contributing schools, but individual schools will not be identified in the main text without consent.

Again, many thanks for supporting Ofsted in the collection of evidence and data for this study. Alan Jenner wanted me to add his personal thanks for the ways in which everyone helped to facilitate the day.

Yours sincerely

Sue Lewis
