

Class Teacher (Mainscale) Job Description

This is a fantastic development opportunity for the successful candidate to become an integral part of building the future of the 21st Century Learning at Banister Primary School in a culturally diverse community. A specific personalised coaching programme will be offered to the successful candidate including their own coach, opportunities to observe practice within our Trust at all key stages, around the city and beyond.

Start date: **September 2018**

Salary Range: Mainscale (M1-M6)

(We are able to offer, for the right candidate, joint teaching with existing staff of your new class during the summer term to make sure that you have all the skills and knowledge you need to be successful in your post.)

The Role

To deliver outstanding teaching and learning, helping our children achieve excellent academic results right from the start as a classroom teacher and integral member of our team. You will be a role-model for lifelong learning and be able to work alongside the staff, both within Banister and across our Trust to shape the community that we serve.

To develop an engaging, challenging, personalised and flexible curriculum that inspires our children's desire to learn; based on their needs and interests using your knowledge and assessment of each child's current understanding to inform planning and ensure success.

Key Responsibilities

Teaching and Learning

- To use Assessment for Learning continuously to inform planning and teaching and to resource and deliver outstanding lessons to the highest standard, which ensure real learning takes place and children make outstanding progress
- To use Assessment for Learning to set targets, monitor progress and respond accordingly through creating effective interventions, flexible teaching approaches and regular review
- To enrich the curriculum to enhance the learning experience of all children based on individual interests and needs
- To teach engaging and effective lessons that motivate, inspire and improve attainment
- To make creative use of TAs to deliver bespoke personalised targeted learning to ensure maximum progress
- To provide a nurturing classroom and innovative environment that supports each child to develop as learners
- To help to maintain and excellent behaviour across the whole school
- To implement and adhere to the school policies, ensuring the health and wellbeing of pupils are maintained at all times
- To maintain regular and proactive communication with children, parents, careers and outside agencies

Wider Requirements

- To support the school values and ethos by contributing to the development and implementation of policies, practices and procedures
- To help develop a culture and ethos that is utterly committed to individual achievement and wellbeing
- To support and work in collaboration with colleagues and other professional in and beyond the school actively contributing to the effective working of the school and the Trust
- To create positive partnerships with parents and carers, outside agencies, and the wider community.

Safeguarding

- To have due regard for safeguarding and promoting the welfare of children and young people and to follow the child protection procedures adopted by the LA and school
