

**Banister Primary School
PE & Sports Premium Statement
2017/18**

Background

The government pledged to increase the primary sports funding pot from £160 million to £320 million in 2017-18, using the extra cash raised by the new tax on sugary soft drinks.

In July 2017, the education secretary confirmed that the money would be made available to individual primary school Head Teachers in September 2017 and is designed to support improvements in the quality and depth of PE and school sport in addition to the new curriculum through 2017/18.

Outcomes

The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer including;

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Funding

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Individual schools with 17 or more eligible pupils receive a minimum of £16000 and an additional payment of £10 per pupil, which they can use to support these outcomes through various options including: employing specialists to work alongside teachers, introduce new sports or activities to encourage more pupils to take up sport, extending after school and holiday clubs, running sport competitions, running sports activities with other schools.

In the 2017/18 academic our school will receive the following funding:

Funds are released to the school in two tranches. Tranche 1 (£3,927) in April 2017 and tranche 2 (increased funding of £11,282) in October 2017.

The total Funding for the academic year

2017/18

£15,209

The following table shows how the PE and Sports Premium funding will be utilised during 2017/18

Area of Focus and Outcomes	Actions (actions identified through self-review to improve the quality of provision)	Funding (Planned/actual spend)	Impact (anticipated effect on pupils including measures/evidence)	Future Actions and Sustainability (How will the improvements be sustained and what will you do next)
Extra Curriculum Delivery	Sports coaches from TMC Ltd used to coach sport and dance activities at lunchtime to supplement and enhance curriculum delivery.	£7104	Greater level of participation at lunchtimes has been replicated in After School clubs (50% of children regularly participating).	Continued use of Sports coaches at lunchtime will continue to embed the participation ethos.
	Additional qualified swimming coach enabling pupils to be taught in smaller groups and more individual support.	£450	Greater levels of water confidence and ability to swim.	Continued use of additional coach.
	Get Active week every half term (30mins per day for the week of extra vigorous physical activity).	£0	Children increase their daily physical activity and continue this beyond the week. Participation in large social events linked to National events. Pupil voice influencing direction and ideas for Active Weeks.	
Physical Activity, Health and Wellbeing	New sports equipment to support PE teaching and After School Clubs. Equipment has been chosen to support the development of the quality and range of sports provision across all age groups.	£1692.85	Good quality and sufficient equipment in lessons and clubs.	Planned replacement programme to ensure equipment is readily available.
	Holiday club activities to be offered for all children with support for Disadvantaged / SEND children to increase	£TBC	Children are able to access physical activity in a safe and known environment	

	physical activity beyond school hours		beyond school hours.	
Diverse and Inclusive	Continuation of Personal Best days for KS1 and KS2 to ensure all children get a chance to succeed. Sports challenge cards issued to all children.	£150	Encourage them to work on different tasks to improve their physical skills. Personalised reports sent to parents to reflect their child's sports progress.	Continuation of Personal Best days and sports challenge cards.
Competitions	Transport costs and release of appropriate staff so that children can attend inter school competitions and events. Intra school competition. Sports day encourages maximum participation	£2250 £2385	Increased participation and success in inter-school competition.	Continue to take part in sporting competitions and events across Southampton. Continue to build on intra-school competitive opportunities. Programme of inter school competitions to continue into 2017/18.
Leadership, Coaching and Volunteering	15 Year 5 and 6 children have taken up roles as Sports Leaders working alongside the specialist sports coaches to encourage all children to participate in organised games at lunchtime.	£200	Leaders are running sports and play activities at Lunchtime and supported sports coaches in PE lessons.	Leadership programme to continue in 2017/18
Community Collaboration	After School Clubs led by local community bodies including Southampton FC (Saints in the Community) run after school clubs three nights of the week in conjunction with the school.	Nil	Opportunity for the children to experience a range of extra curricular activities.	Continuation of existing programme.
Workforce	Outdoor learning to continue across the school. Additional training undertaken to ensure all teaching staff have the required base level skills.	£825	Opportunity for teaching staff to broaden their skills set and provide outdoor opportunities to all children at the school.	Continued investment in staff development.
